Team Charter

Team members: Nedas Bagočius, Karim Massaoud, Maksym Feniuk

Core values: As a team, we care about efficiency**,** collaboration**,** and maintaining a high level of accountability**.** We believe that open communication and mutual respect are key to working effectively, ensuring everyone contributes their best and feels valued.

Nedas Bagočius

Strengths: Working with websites, researching

Weaknesses: lack of knowledge of HTML and CSS, Communication

Maksym Feniuk:

Strengths: Creative thinking, motivating

Weaknesses: Giving presentations, Data analysis

Karim Massaoud

Strength: Creativity, Designing

Weaknesses: Documenting, Interviewing

Group Norms: We will work by having regular stand-ups to keep track of everyone's progress. We'll use **Trello** to manage tasks, and **WhatsApp** for communication. If anyone is running late or needs to adjust deadlines, they will notify the group as early as possible so we can manage expectations.

Roles: Everybody is getting the same amount of work. If someone is confident in their skills in a certain field, they can do the assignment. If you choose a task, you do it. If you need any help, ask other team members.

Metrics of Success: Success will be measured by the grades we receive and by completing our project on time, delivering a polished final product, and ensuring that all tasks are divided fairly and completed efficiently.

Standards of Quality: Our standards for high-quality work include ensuring that our work is well-organized, free of errors, and fully meets the project's objectives. We expect every team member to review their work, and we will provide a final check for quality together.
